My Mission is to is to take a lead role in graphic design for your success.

"Tim was a hardworking, driven employee with extensive skills on the computer. He was a great resource for difficult questions and did a great job with those quick turnaround projects that always seem to "pop up."
Scott Kennedy, Creative Director, Infinity Direct

"Timothy has an advanced professional skill set, is able to follow production deadlines, assist and create projects from start to finish and contribute to client relations."
Richard Gunderson, Art Director, Infinity Direct

Professional Profile:

Professional experience in Design, Print and Web Production, including eight years Agency work, delivering reliable, cost-effective and salable results.

How:

- Creativity** – design ideas that overcome creative barriers and propel projects profitably
- Solidity** – all files always built the right and best way, and print and view as expected
- Accuracy** – all elements and type placed perfectly, typos eradicated
- Speed** – familiar with all graphics processes, I don't slow down — without caffeine!
- Problem-solving** – if something won't work, I dig and find the solution in minimal time

Examples:

- Fixed printing template issue that plagued employer for months, within first two days on the job
- Retained client money to employer by finishing tight-deadlined huge project in-house
- Faithful, consistent design and production of e-mail communications and web site updates
